

RG10 Files (Library and Archives Canada)

RG10 refers to the historical records created by the Department of Indian Affairs and Northern Development and its predecessors, held at Library and Archives Canada (LAC). Record Group 10 includes files, correspondence and transcripts on all aspects of Indian administration in Canada for both headquarters and field offices. The records are primary sources of original, unpublished material.

The FNUniv-Regina campus library has a collection of some (but not all) of the Indian Affairs Record Group 10 files on microfilm.

Example Search:

The screenshot displays the 'Archives Search—Basic' interface on the Library and Archives Canada website. The header includes the Government of Canada logo and the text 'Library and Archives Canada'. A navigation bar contains links for 'Discover the Collection', 'Online Research', 'Copies & Visiting', and 'Services for Professionals'. The breadcrumb trail reads 'Home > Search > Archives Search—Basic'. On the left, a 'Search' menu lists options: 'Search All', 'Library Search' (with sub-options 'Basic' and 'Advanced'), 'Archives Search' (with sub-options 'Basic' and 'Advanced'), 'Image Search', 'Ancestors Search', 'Search Help', and 'Ask Us a Question'. The main search area is titled 'Archives Search—Basic' and contains the following elements:

Example Search Results:

The screenshot shows the Library and Archives Canada website. At the top, there is a navigation bar with the Government of Canada logo and the text "Government of Canada" and "Gouvernement du Canada". Below this is a large red maple leaf logo. The main heading is "Library and Archives Canada". A secondary navigation bar contains "Discover the Collection", "Online Research", "Copies & Visiting", and "Services for Professionals". The breadcrumb trail reads "Home > Search > Archives Search". The left sidebar has a "Search" section with options: "Search All", "Library Search" (with sub-options "Basic" and "Advanced"), "Archives Search" (highlighted), "Image Search", "Ancestors Search", "Search Help", and "Ask Us a Question". The main content area is titled "Archives Search" and includes a "[Show Search Form]" link. Below this is the "Archives Search Results" section. It shows the search term "Searched for: regina industrial school" and a link to "Search all Government of Canada websites". The results are listed as "Found: 1 - 10 of 28". Three results are visible:

1. [REGINA, SASKATCHEWAN - CORRESPONDENCE REGARDING THE BUILDING OF THE REGINA INDUSTRIAL SCHOOL. \(PLANS INCLUDED\)](#)  1887-1889. File. **RG10.**
2. [REGINA, SASKATCHEWAN - CORRESPONDENCE RELATING TO LEASES AND DISPOSAL OF LAND AT THE REGINA INDUSTRIAL SCHOOL. \(BLUEPRINTS INCLUDED\)](#)  1905-1915. File. **RG10.**
3. [REGINA, SASKATCHEWAN - GENERAL CORRESPONDENCE RELATING TO THE REGINA INDUSTRIAL SCHOOL](#)  1910-1939. File. **RG10.**

2. Take note of the record information, including title, microfilm reel number, and volume

- **What to look for:**
 - Files that relate to RG10 (The LAC Archives Search searches across numerous archival holdings, not just RG10 records, so be sure that the record you wish to view is from RG10). This is usually evident in the initial search results, in the brief description (see example search results above). The FNUniv-Regina library does not have holdings of LAC Archive materials from other "Record Group" holdings (only RG10)

- After confirming that the record is part of RG10, click on the brief description for more detailed information.
- If the file is not available digitally (many are, as the LAC is digitizing records all the time), take particular note of the **Conditions of Access** for information relating to whether the file is publicly accessible, and if it is available on microfilm. **Look for: “Microfilm Reel ... “**
