Library Services
Available to Off-Campus Students

What can UREAD do for you?

Library Materials
UREAD lends and sends library materials (books, government publications, journal and newspaper articles, etc.) to distance students, faculty, and staff.

Borrowing
Contact UREAD to borrow material from the Archer (Main) Library, Federated College libraries (Campion, Luther, and FNUUniv Regina campus). UREAD will even order items for you from other libraries via interlibrary loan.

Loan Periods
Standard loan periods are:
- Undergraduate students = 4 weeks
- Graduate students = end of current semester
- Faculty = end of current academic year

Note, however, that your loan period may be shortened if the item was obtained by interlibrary loan or has been requested by another student/staff/faculty member.

What's inside:
Learn what UREAD can do for you:
UREAD (University of Regina Education at a Distance) is a service that provides library support for distance students (those who both live and study outside of Regina), as well as distance education faculty and staff.

How to access exclusive e-resources available through the University of Regina and FNUUniv Library webpages

UREAD works are on a first-come, first-served basis, so be sure to plan ahead and request your items early!

Keep your due date and mailing time in mind because overdue charges apply to items received after the due date.

Renewals
You can renew your library items provided they were not obtained via inter-library loan and provided no one else has placed a hold or recall on the item. Renew online or call UREAD's toll-free number.

Cost
UREAD mails items at no charge to you and includes a postage-paid label. A cost will be associated with any overdue or lost items:
- Regular loans: 50 cents/day per item
- Recalled items: $3.00/day per item after the recall due date
- Lost Items: $50.00/book, $200.00/DVD

How to Access Exclusive E-Resources
Call or email FNUUniv Library or UREAD staff at Archer Library to get set up with a library barcode that will provide you with off-campus access to hundreds of exclusive online databases and thousands of online journals and books that you won't find on Google.

Additional Services for Faculty

Class Instruction
Whether you are teaching a face-to-face, televised, or online course, a librarian can develop library/information literacy instruction for the students in your course.
A librarian or library staff member can come to your site, deliver instruction over video conference, or develop online solutions to help your students find the information they need to succeed.

What Information Does UREAD Need?

UREAD staff will need to know:
- Your name
- Student ID number
- Mailing address
- Email address
- Daytime phone number
- Course name and number
- Instructor's name
- Location where you're taking the class
- Date assignment is due
- Detailed information about the books, journal articles or other material you are requesting.

UREAD can't fill your request without this information.
